

# Ultra Heavy Duty Ratchet Mount [Single Axis]

The UM022AF Ultra Heavy Duty Ratchet Mount with rectangular base is a single axis, eight position, 1" 14 thread mount. Made of 2205 grade stainless steel, this mount provides a strength and corrosion resistance that is far superior to the 316 grade stainless steel more commonly found in maritime environments.

As with all of our products, Hascall-Denke's maritime products are designed and built with the best materials in order to provide you with superior performance under the harshest conditions.
